Here is the list I have of open CDs and AOs for which we will need to have staff send letters about move/email delivery. Russ and Suzanne- you don't have a lot of AOs so I listed them on the Word doc. Nina- yikes- so many so I have attachments. I am thinking we can finish the Template letter soon- I should be getting an ORC shared email set up soon so I'll hold off on the Letter for now. I figure we can ask staff to address their CDs and AOs.... Starting soon... What do you think- should we have staff run each letter by YOU? I would like them to tell you and me when each one is done so we can check off the list. Biggest burden is on Nina's group so maybe she gets deciding vote on how we process these... I incorporated Suzanne's edits into the template letter.
